Announcement for Establishment of New Sales Office of Finance Business in Cambodia

We would like to announce that GL Finance PLC (GLF), our group company which operates the motorcycle finance business in Cambodia, has established a new sales office on 1 April 2014.

The new sales office was established in HONDA KHY BOPHA, an authorized HONDA motorcycle dealer located in Phnom Penh, which is now GLF's 47th sales office in Cambodia.

Phnom Penh is the capital and largest city of Cambodia located on the bank of Mekong River and once known as the "Pearl of Asia". Phnom Penh has grown to become the nation's center of economic and industrial activities, as well as the center of security, politics, and cultural heritage. It has a population of 2 million from the total population of 15.2 million of the whole country.

Honda NCX Co. (Honda Cambodia) is currently branching out and expanding its sales. GLF, which has an exclusive business alliance with the aforementioned company, will support the strengthening of sales by actively establishing sales offices.
