Presentation for combine harvester user at Meeting Event at the KUBOTA dealer in Cambodia

At the KUBOTA dealer, KUBOTA Chhay Lang, in Svay Rieng Province, the meeting event was organized for combine harvester users by the dealer on 22 August 2014, the same date as GL Finance PLC (GLF), our group company which operates the motorcycle finance business in Cambodia, officially set up a sales office inside the dealer shop.

Around 60 users had attended this event, and GLF also presented our leasing services and conditions to the participants.

We will continue to take such opportunity to appeal directly to users and aim to promote our service and acquire customers.

Thank you.
