Announcement for Establishment of New Sales Office of Motorbike Finance Business in Laos

We would like to announce that GL Leasing (Lao) Company Limited (GLL), our group company which operates finance business in Laos, has established a new point of sales and reached 19 points of sales in total by 28 June 2015.

GLL had already established seven points of sales in Vientiane Province. By the end of last week, they opened additional 12 points of sales and reached 19 points of sales in total. 14 points of them provide financial service for HONDA motorbike, and five points of them provide service for KUBOTA agricultural machine.

By providing financial service at the new points of sales, GLL is expected to gain number of sales and grow business for both HONDA and KUBOTA.

GLL had originally planned to establish 17 points of sales by the end of June, but they exceeded their plan and established 19 points of sales in total throughout Laos.

We will keep up momentum to increase the number of sales office, contribute the rapid growing demand for finance in Laos, and lead to growth of our company.

We will keep informing you our progress. Your interest to us is greatly appreciated.
