**TCG 『HAIKYU!! VOLLEYBALL CARD GAME』
A promotion event at Institut Teknologi Bandung in Indonesia**

On 17 March 2019, Wedge Holdings Co., Ltd. (Headquarters: Chuo-Ku, Tokyo, Representative Managing Director and CEO: Mr. Tatsuya Konoshita) held a promotion event for Trading Card Game (TCG) product “HAIKYU!! VOLLEYBALL CARD GAME” at Institut Teknologi Bandung (ITB) in Indonesia.

We attended the school festival “Genfest” under the theme of Japanese pop culture at ITB. We exhibited and sold our products as well as held gameplay teaching sessions and lottery prizes.

The school festival at ITB is one of the biggest Japanese pop culture event taking place in Bandung.

Bandung is a local city located in the west of Java with a population of 2.4 million. Many guests visited our booth and experienced our TCG product "HAIKYU!! VOLLEYBALL CARD GAME".

There were some TCG fans who previously came to our event and helped us taught other guests how to play TCG together. Looking from this event, it can be seen that fans of "HAIKYU!! VOLLEYBALL CARD GAME" are rapidly expanding in Indonesia.

We are developing the business of TCG "HAIKYU!! VOLLEYBALL CARD GAME" throughout South East Asia in Vietnam and Indonesia as the first step. We will continue to warm up the contents industry through such event as well as actively act as the bridge for content holders and users.
