### **Haikyu!! Volleyball Cardgame National Tournament In Vietnam**

We are happy to announce that on 31 May 2020, Showa Brain Navi Vietnam Co.,Ltd , our affiliate in Vietnam, had successfully organize an event as part of the Haikyu!! Volleyball Cardgame National Tournament series. This event was welcomed by the Vietnamese Haikyu!! Volleyball Cardgame user communities and attracted a large number of participants. Here are some highlights of the event.

Time: 31 May 2020

Venue: board game cafe “SV Food & Drink”, Hochiminh City, Vietnam

Highlights: We especially welcomed to this event many first time participants, who were first introduced to the game Haikyu!! Volleyball Cardgame through our online events held on Zoom earlier this year and were very excited to join a official tournament for the first time. Furthermore, we also received many enquires about our next product Haikyu!! Volleyball Cardgam Booster HV4. All are looking forward to the new product release.

With Indonesia and Vietnam as starting points, we are expanding business in South East Asia with this strategic product Haikyuu!! Volleyball Cardgame. Our motto is “To fill the world with Wakudoki (excitement)” and we believe our Haikyuu!! Volleyball product will bring that sense of Wakudoki to content users in South East Asia at the same time contribute toward our company mid-long term profit and growth. We will continue to expand content business and be the essential link between content right owners and consumers around the world.
