**Zeavola Resort, a luxury resort hotel owned and managed by our group  
achieves high praise from customers in award winning resort facilities  
at Phi Phi Islands**

We are glad to announce that Zeavola Resort, a luxury resort hotel owned and managed by our group is introduced as an award winning resort achieving high praise from customers at "Hotels.com" who provides on-line reservation service of hotel facilities.

At "Hotels.com", 22 resort hotels are introduced as award winning resort facilities. Zeavola Resort earns 4.5 stars and 9.4 points, the highest score of the bunch. Zeavola Resort has been working on sustainable tourism as a pioneer in Thailand and received many awards for the efforts. We thank to all customers who give us such high praise for the efforts. We will continue to manage the resort as an eco-friendly facility.

Refer to the following website for the article of award winning resort facilities in Phi Phi Islands at "Hotels.com"
