Announcement for Establishment of New Sales Office of Finance Business in Cambodia

We would like to announce that GL Finance PLC (GLF), our group company which operates the motorcycle finance business in Cambodia, has established a new sales office on 25th November 2013.

The new sales office was established in HONDA DONG TUNG, an authorized HONDA motorcycle dealer located in Koh Kong Province, which is now GLF's 42nd sales office in Cambodia.

Koh Kong Province located at the most south-western part of Cambodia. It is one of the biggest provinces in the whole country. After national government policy encouraged people to live in Koh Kong, there has been a net influx of people. It is estimated that the average annual growth rate in Koh Kong is 16 per cent. Koh Kong's towns have developed rapidly partially in response to market pressures from Thailand and because of in-migration from other parts of Cambodia.

GLF will continue to accelerate its establishment of sales offices for the expansion throughout the Kingdom of Cambodia.
