As the first step, we will publish the first edition of “TEZUKA OSAMU Magazine weekly” around October 2017, after translation into Burmese and editing with BIT.

BIT currently has over 5.5million of their IT Platform users in Myanmar, including over 0.7 million of their E-book users. Besides, they aims to expand throughout Asia together with us and its subsidiaries.

We really feel privileged to engage in the great work of TEZUKA OSAMU, who is a Japanese cartoon legend, and it is good luck for us to publish the translated version in south east Asia.

We have continuously expanded our contents business by holding an event such as trial session of trading card game, signing of exclusive promotion agreement with Mr. Erdenebayar who is an Mongolian cartoonist, or organizing “Illustrator Contest Asia” .
